Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for NYS Route 25 Business Drainage Improvement in fiscal year 2024. The entity to receive funding for this project is the Town of Smithtown, located at 99 West Main Street, Smithtown, NY 11787. The funding would be used for installing cesspools and drainage basins in the parking lot near NYS Route 25 and the business district to prevent damage from frequent flooding. The project is an appropriate use of taxpayer funds because it prevents costly and damaging flooding from occurring to the businesses located in Smithtown and reduces stormwater runoff into the Nissequogue River.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
